### Video Lending Service

We have a **FREE Video Lending Service** available to Chaplains. If you are interested in having this service for your facility, please contact us for a list of videos now available for check-out and a **Video Agreement Form** or check the **Video Resource List** area on the reverse side of this form. Once we have a signed agreement form on file for your facility, you may request one VHS video at a time and keep it up to two weeks. We will pay the postage both ways; we simply ask for the tape to be returned in a timely manner.
